## DECLARATION OF CONFORMITY NR. 2025-04

Listed articles are made of construction steel Q-235B.

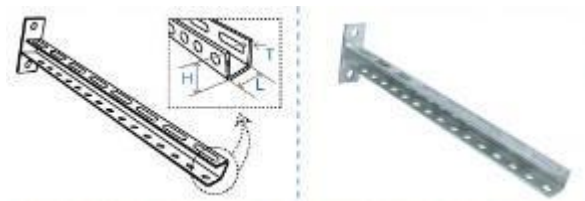

Minimum yield strength 235 MPa.

Galvanizing: minimum 50 microns

**81301** Console 150mm without support

**81302** Console 200mm without support

**81310** Console 250mm without support

**81303** Console 250mm with support

**81304** Console 300mm with support

**81306** Console 400mm with support

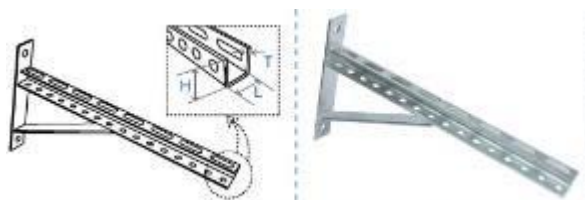

**81307** Console 500mm with support

**81308** Console 800mm with support

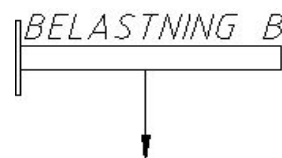

**81309** Console 600mm with support

**81312** Console 1000mm with support

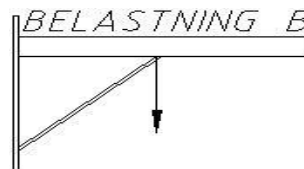

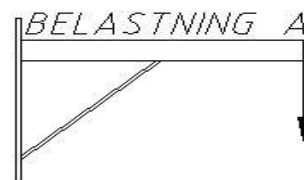

**81313** Console 1200mm with support

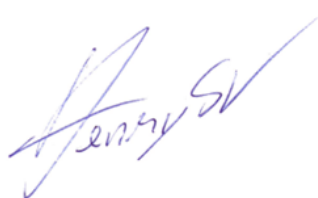

Type	Art. no	Load A	Load B
		Max kN	Max kN
Without support	81301	1,50	2,90
	81302	1,20	2,20
	81310	1,00	1,70

Type	Art. no	Load A	Load B
		Max kN	Max kN
With support	81303	1,60	6,10
	81304	1,40	5,30
	81306	1,00	3,80
	81307	0,90	2,90
	81308	0,50	1,60
	81309	0,70	2,40
	81312	0,40	1,10
	81313	0,30	0,80
